None recorded

Notes

This inflatable does not come under the pipa scheme for testing to BSEN14960. Some activities on the Arena do come under the standard and meet the required standard BSEN14960. Other games have been risk assessed and deemed fit for purpose and conform by the Manufacturer

Risk assessment notes

This arena requires at least 4 trained supervisors when in use. A full risk assessment of all the activities on this arena has been provided to the customer .

Inspection. This inspection certifies that the equipment described above conforms to BS EN 14960. Where an item falls outside the scope of the standard, it has been manufactured and tested to that standard as closely as the design allows.
